- Olympium includes the following clubs: EDC, KWDC, Optimal, GAT, Dive Toronto
- In the event that a GTA club does not bid on either location, the competition will go out for bid to the rest of the Province.

Dive Ontario will advise the Club who is next in line in the rotation of the desired dates for the following year by January 1st. If the Club wishes to host, the Club shall reserve that week-end and a back-up date, in case a conflict arises with the National/International schedule. Once the National schedule is confirmed the Club can release the week-end that will not be used.

Clubs must let Dive Ontario know by February 15th whether they intend to host provincials.

Should a Club be unable to host or choose not to take its turn in the hosting rotation, Dive Ontario will then call for bids, in writing, from all other Clubs from the province by March 15th. Clubs must submit a bid using the Dive Ontario Provincials Bid Document. All bids are to be initially reviewed by the Sport Development Officer and Executive Committee (President, VP Administration & Treasurer). If a decision cannot be made, than a selection committee will be struck, comprised of the DO Meet Manager, Provincial Head Coach, and Officials Representative and two non-partisan members assigned after the fact.

The Criteria for selection are as follows:

Criteria	Club #1 :	Club #2:
Preferred Date		
Athlete Meal Plan		
Social Events		
<i>Tie Breaker:</i> Last Time Hosted		

The Selection Committee shall choose a host club by March 30th.

If no club submits a bid to host by February 15th, then Dive Ontario will organize the Provincials.

The rotation system will not change because a Club opts not to take its turn in the rotation and another Club wins the bid to host. For Example, If Club A submits a bid because the original Club opted not to take its turn in the rotation, then Club A's order in the rotation will not be affected.

When the rotation falls on Etobicoke or TPASC, the same process will be used. The GTA Clubs associated with each pool will be advised of the desired dates for the following year by January 1st. Interested Clubs must submit a bid by February 15th.

If no GTA Club wishes to submit a bid, then Dive Ontario will call for bids, in writing, from all other Clubs from the province by March 15th. A Selection Committee will select a host club from among the bids received by March 30th.
