#### Important Notice Regarding Ontario Summer Games Selection and Aspire Provincials Standard

---

##### **Ontario Summer Games:**

The Ontario Summer Games Rules Committee, through guidance from the Sport Development and High Performance Committees, have finalized a set of Technical Regulations and Selection Criteria for the 2018 Ontario Summer Games.

There are 27 Male and 47 Female appointed spaces, however we do not have to strictly adhere to these numbers and they do allow for some variance.

Selection will be conducted at the Ontario Summer Provincials and the Aspire Provincials.

##### **OSG Selection Criteria:**

##### **First selection:**

Divers with a partial national qualification:

- Made a single qualifying score on any board
- Made a full qualifying score on a single board, but needs a second board to attend nationals (e.g., fully qualified on 1m only)
- Must compete in at least 2 events at Ontario Summer provincials

Once first selection divers are invited, all remaining spaces will be evenly divided between Aspire divers and National level 1 divers by the following selection criteria:

##### **Second selection:**

1. 50% of remaining spaces will be filled with selected B, C, & D divers from Ontario Summer Provincials:
  - B, C, & D Divers will be ranked together by averaging their two best scores as compared to the national standard (percentage over/percentage under national standard).
  - Divers may be offered spots with scores that fall below the national standard until allocated spaces are filled.
2. 50% of remaining spaces will be filled with selected B, C, & D divers from Ontario

Aspire Provincials:

- B, C, & D Divers will be ranked together by averaging their two best scores as compared to the Aspire standard (See Aspire Provincial Standard).
- Divers must achieve the Aspire standard in at least one of their two best events in order to be considered.

In the event a diver declines their spot, the next highest ranked athlete from the same pool of athletes (either Aspire or Summer Provincials) will be selected. If the next ranked Aspire athlete has not achieved the aspire standard, any remaining spaces allocated to the Aspire competitors will be offered to the Summer Provincial athlete pool.

**Third Selection:**

If unallocated spots remain after the first two selections, these may be offered to the next ranked Aspire athletes **who have achieved the Aspire Standard**.

Divers who have been named to Team Canada for Junior worlds or Junior Pan Am's in ineligible for Ontario Summer Games.

**2018 Aspire Provincials Standard:**

The Sport Development Committee has created an Aspire Standard for the Aspire Provincials. The standard will be used at the 2018 Aspire Provincials only and will be used as the selection basis for:

- 2018 Ontario Summer Games
- 2018 Sport Development Training Camp – October 2018
