

## Ontario Summer Games Technical Regulations

### Ontario Summer Games Selection Criteria:

#### **First selection:**

Divers with a partial national qualification:

- Made a single qualifying score on any board
- Made a full qualifying score on a single board, but needs a second board to attend nationals (e.g., fully qualified on 1m only)
- Must compete in at least 2 events at Ontario Summer provincials

Once first selection divers are invited, all remaining spaces will be evenly divided between Aspire divers and National level 1 divers by the following selection criteria:

#### **Second selection:**

1. 50% of remaining spaces will be filled with selected B, C, & D divers from Ontario Summer Provincials:
  - B, C, & D Divers will be ranked together by averaging their two best scores as compared to the national standard (percentage over/percentage under national standard).
  - Divers may be offered spots with scores that fall below the national standard until allocated spaces are filled.
2. 50% of remaining spaces will be filled with selected B, C, & D divers from Ontario Aspire Provincials:
  - B, C, & D Divers will be ranked together by averaging their two best scores as compared to the Aspire standard (see Aspire Provincial Standard).
  - Divers must achieve the Aspire standard in at least one of their two best events in order to be considered.

In the event a diver declines their spot, the next highest ranked athlete from the same pool of athletes (either Aspire or Summer Provincials) will be selected. If the next ranked Aspire athlete has not achieved the aspire standard, any remaining spaces allocated to the Aspire competitors will be offered to the Summer Provincial athlete pool.

#### **Third Selection:**

If unallocated spots remain after the first two selections, these may be offered to the next ranked Aspire athletes **who have achieved the Aspire Standard**.

Divers who have been named to Team Canada for Junior worlds or Junior Pan Am's are ineligible for Ontario Summer Games.
