ARTICLE 7 – PROVINCIAL CHAMPIONSHIPS HOSTING POLICY

7.1 HOST BIDDING PROCESS

The hosting of each of the three (3) Ontario Provincial Championships shall be the responsibility of Dive Ontario, under the direct supervision of the Board. The Hosting is done through a rotation based on facilities.

- Rotation is based on the facilities (10m platform available) and spread between Winter, Spring, and Summer – so every club hosts one of each in the rotation.
- Ottawa is for either Ottawa club. After the initial Ottawa bid acceptance, the bid will alternate.
- TPASC includes the following clubs: KWDC, Optimal, GAT, Dive Toronto.
- Olympium includes the following clubs: EDC, KWDC, Optimal, GAT, Dive Toronto
- If a GTA club does not bid on either location, the competition will go out for bid to the rest of the Province.

Dive Ontario will advise the Club who is next in line in the rotation of the desired dates for the following year **by May 1st**. If the Club wishes to host, the Club shall reserve the desired weekend and a back-up date, in case a conflict arises with the National/International schedule. Once the National schedule is confirmed the Club can release the weekend that will not be used.

Clubs must advise Dive Ontario **by May 30** whether they intend to host provincials.

Should a Club be unable to host or choose not to take its turn in the hosting rotation, Dive Ontario will then call for bids, in writing (by email), from all other Clubs in the province by **June 15th**. All bids are to be initially reviewed by the VP Sport Performance and Executive Committee (President, VP Operations & VP Finance). If a decision cannot be made, then a selection committee will be struck, comprised of the DO Meet Manager, National Head Coach, and Officials Representative and two non-partisan members assigned after the fact.

The Criteria for selection are as follows:

Criteria	Club #1:	Club #2:
Preferred Date		
Athlete Meal Plan		
Social Events		
<i>Tie Breaker:</i> Last Time Hosted		

The Selection Committee shall choose a host club by **June 30th**.

If no club submits a bid to host **by June 30**, then Dive Ontario will organize the Provincials.

The rotation system will not change because a Club opts not to take its turn in the rotation and another Club wins the bid to host. For Example, If Club A submits a bid because the original Club opted not to take its turn in the rotation, then Club A's order in the rotation will not be affected.

When the rotation falls on Etobicoke or TPASC, the same process will be used. The GTA Clubs associated with each pool will be advised of the desired dates for the following year **by May 1st**. Interested Clubs must submit a bid by **May 15th**.

If no GTA Club wishes to submit a bid, then Dive Ontario will call for bids, in writing, from all other Clubs from the province **by May 30th**. A Selection Committee will select a host club from among the bids received **by June 15**.
