

Dive Ontario Summer Experience Program Camp and Clinic Coordinator Intern

The Dive Ontario Development Camp and Clinic Coordinator Intern will be responsible for assisting in the coordination and delivery of summer development camps for divers, and coach and officials training programs. The camps will take place Aug. 28-Sept. 1, and will require significant preparation in the months prior.

- They will be responsible for communication with the Executive Director, Technical Director, Dive Ontario Board of Directors, clubs, and other stakeholders regarding these programs.
- They will assist in the planning and delivery of these programs
- They will be responsible for creating and implementing a communication plan for these Dive Ontario programs through the creation of content and templates that can be adapted to both the website and social media platforms.
- Monitoring and engaging on all social media platforms, including Facebook, Instagram, Twitter, and LinkedIn to inform the diving community about these programs.

Skill Development:

- 1) Event/sport development camp/clinic planning and management skills
- 2) Marketing Skills
- 3) Communication/Interpersonal Skills
- 4) IT Skills
- 5) Organization Skills
- 6) Time Management Skills

- The Coordinator will help develop a marketing and communications plan for these opportunities by offering ideas for content creation that will increase Dive Ontario's social media and website presence and enhance Dive Ontario's communication with its member clubs and stakeholders.
- The Coordinator will be responsible for assisting in creation and distribution of information and content to the public through affiliated platforms.
- Through the collaboration and communication with Dive Ontario, Dive Plongeon Canada, and the ten partnered clubs, the Coordinator share information around these opportunities.
- The position will include responsibilities in the planning, execution and communication of these camps and clinics and the distribution of content.
- The Coordinator will be able to engage in the world of event management, sports marketing, communications and content creation.

Dive Ontario Collaborations
