Q4G 2023 – Selection Criteria for funding

- 10 divers (5 boys, 5 girls) will be selected to receive funding available: \$2,600 each

IMPORTANT NOTE: BOTH Open and Age Group , 3M and Platform, event results will be used in the calculations

The selection criteria has 3 components, equally weighted:

1. The athlete's 2 best results from any **open event** (Platform or 3m) at prior provincials: Event Score is divided by the applicable Quest for Gold standard and multiplied by 100 to get a percentage
2. The athlete's single best result from any **age group event** (Platform or 3m): Event score is divided by the applicable National Standard and multiplied by 100 to get a percentage
3. International meets (Junior Worlds)

These three components will be added together to assign the athlete a total score, rounded to two decimal places (ties will go to 3 decimals). **The athletes will then be ranked according to their total scores.** The top five girls and top five boys will be awarded funding.
